PRINCIPAL'S MESSAGE

Once again it is time for us to receive our annuals and enjoy seeing our friends and ourselves in scenes of light hearted as well as serious moments which we will never forget. Thanks to the wonderful work done by the annual staff.

The annual is an outstanding means by which we see recorded evidence of the feeling of working together toward a common goal — that of making a good school even better. Each year we expect and achieve a greater degree of success than we had the year before. May this ever be uppermost in our planning and our working.

To those of you who have done such an excellent job on this annual, I know I speak for the entire faculty and student body when I express our thanks and congratulations on a good job well done.

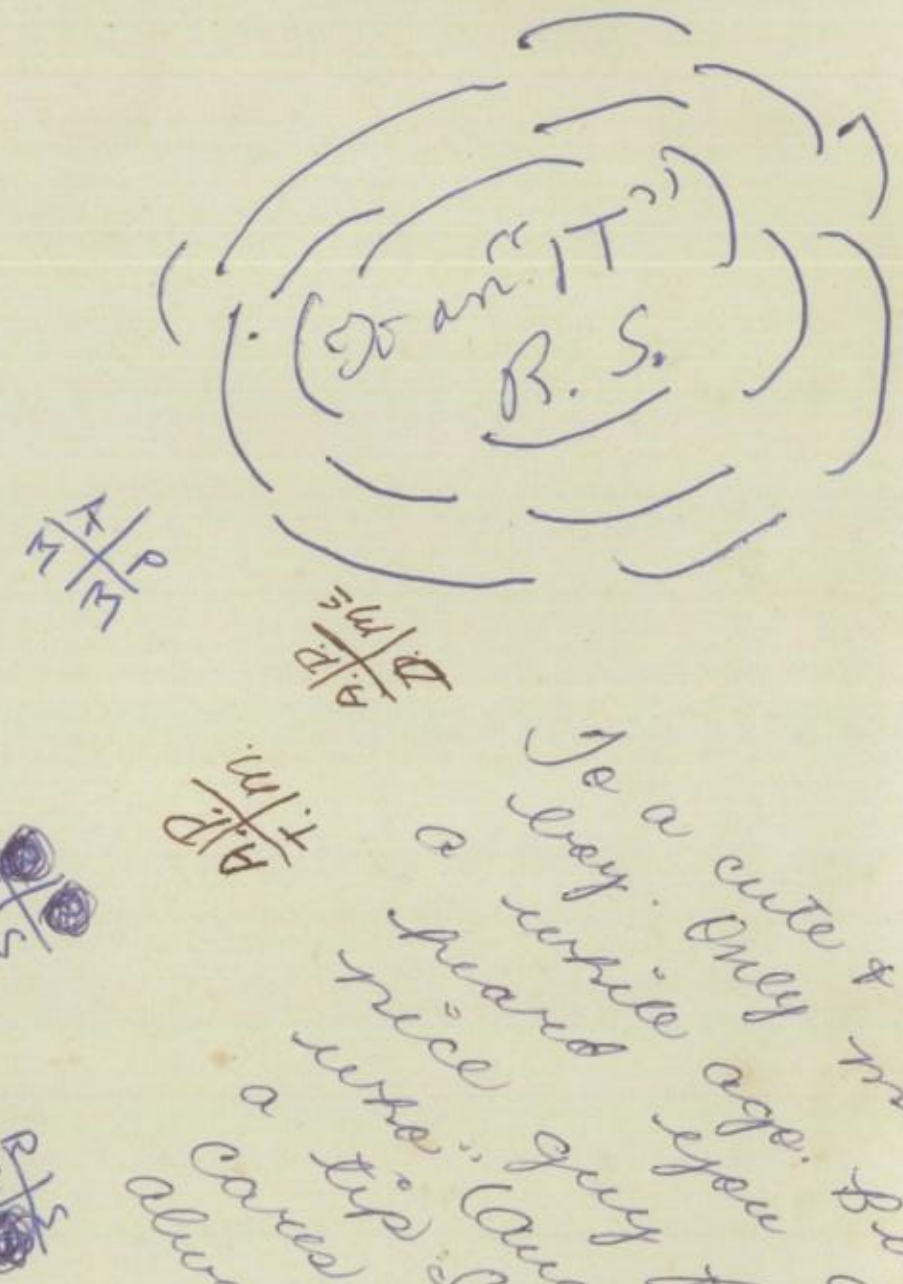
Dear Marty,
Its been nice knowing you, even though I've not known you long. You've been very nice and sweet to me and everybody you know. Wish I would have known you before, and longer than now, (I mean in the years to come).

Your Friend
Forever
Audrey Price



I'm a cute & nice girl but have never met you but are a very nice age. You are a very nice guy from what I've heard (Audrey). I'll give you a tip I'd bring chicken for you. But lets (Friends) always be just friends, cause I'm already taken.
Becky

Dear Marty,

All these things that Audrey or Lou as you prefer to call her has said about you are I'm sure true. But I think you deserve more credit than this for staying in our room while mister Baird was in here and much less us the class, that is I think that for all you've gone through I think you deserve something more so, I'm giving you the pleasure of knowing me --
